ADVANTAGES

PERFECT SHAPE

The incomparably smooth surface gives your product a detailed shaping and a high figurativeness.

BEST LEGIBILITY

Through best legibility on your packaging you achieve the best law compliance ever possible.

OPTIMAL PROTECTION

Your hollow figures are better protected by the Chocal packaging and, if required, can be sealed with a tamper evident closure.

HIGH FLEXIBILITY

One machine fits almost any kind of shape and size.

GENTLE HANDLING

The gentle processing of the chocolate figures means less waste.

SUITS YOUR OWN PACE

We provide fully and semiautomatic solutions.
